## PRESIDENTS' MESSAGE

NOVEMBER 2016

We have reached November and "Winter is Coming" (bonus cool points if you know where that is from). Don't forget to turn back your clocks this weekend. We wouldn't want you to be late to your classes on Sunday. There was quite a hustle and bustle at the Center this past month with all the activities, let's take a peek at the major events.

The weather did not play nicely with us on the intended date of this year's Fall Tag sale. Mother Nature loosened up a bit the following day resulting in a great turnout. Thanks to all the volunteers that day who were able to spring into action on short notice. Also a huge thank you for all those who donated all the goods. This event will be missing quite a few key components if donation of goods were not hauled to the Center.

The CCLI Autumn dinner dance was a massive success as a fundraising event. A special thanks to George and Theresa Wing. Powered by their kind hearts, they brought this event together. Please read more about it in the editorial below.

The CCLI traditional Thanksgiving monthly meeting will take place on November 11<sup>th</sup>. Can you believe this is the 9<sup>th</sup> one since inception? Don't miss the opportunity to spend time with fellow CCLI members.

Finally in the spirit of Thanksgiving this month, we want to give a thank you to everyone for making the Center such a wonderful place. We could not be any more grateful for all the friendships and memories.

Happy Thanksgiving to our CCLI family!

Randy Yung and Chris Chiu, Co-Presidents

## **FALL TAG SALE ON OCTOBER 23<sup>RD</sup>**

The Center had to postpone their tag sale to Sunday, Oct. 24, 2016 due to inclement weather. It was a cool day and the wind started up at noon time causing many items to fly off the tables and racks to fall down.

Many of our volunteers came to help setup the tables and to move all our generous members' donations to the outside of the building at 7:30am. Shoppers were all looking for bargains and great buys. Our volunteers used their great marketing skills to negotiate agreeable prices with the shoppers. Our volunteers picked up and rearranged items all day long.

Some of the volunteers (From left): Steve Polancic, Ed Chung, Bob Wong, Samantha Bart, Marcia Blecha, Shirley Shing, Stefanie Bartoldus, Sham Gee, Lotus Wu, Alex Fong, George Wing, Mona Ng.

All in all it was a successful day. Our members were able to clean out their houses and our volunteers met some nice people from the neighborhood. Money raised from this tag sale goes back to support the various worthwhile programs at the Center.

We would like to give a special shout-out to all the volunteers for spending the whole/part of the day to help out in such a big way. Thank you to our volunteers who came out the day and night before the tag sale to sort through the donations, to the volunteers who helped set up, and to the volunteers who helped us break down at the end of the day and to haul the left over items to a nearby donation center. We really appreciate it. It is such a privilege for us to be with such giving people as you! Without you, events like this would not happen.

Camera shy: Edmund Louie, Betty Leong, Cindy Chiu, Rita Lee, Peter Gong and Karanda Shuen  
Thank You!!!

Mona Ng, Betty Leong & Stephanie Bartoldus, Tag Sale Coordinators

## **JOYCE MOY PRESENTED “GROWING UP CHINESE AMERICAN” ON OCT. 23<sup>RD</sup>**

On Sunday, October 23<sup>rd</sup> Ms. Joyce Moy, Executive Director of Asian American Research Institute of the City University of New York was our guest speaker who spoke about young people growing up Chinese-American in the United States. Edward Chung brought to our attention that our country has a history of successive waves of immigrants who came from all over the world, settled here, and raised their families. Their children now hold positions in society who made our country unique in the history of the human race.

Chinese-American and Chinese who live in the United States have different experiences over several decades in coping with outright or subtle discriminations. A survey was done comparing between a Chinese and a Caucasian with very similar credentials. The results show that overwhelmingly the sample voters favored the Chinese as a competent employee and the Caucasian as the model person destined to management. We must encourage our children to excel in their strengths, carefully praise them when they are doing well, and not to be too critical if they fall short in their endeavors. This will give them a balanced life and build their self-esteem. Also we should prepare the children to push back those who deliberately try to stop them from succeeding because they are different for being Chinese. Parents at the meeting had a strong desire to have more in-depth presentations on being interactive parents and children of Chinese background. We thanked Ms. Moy for spending this Sunday afternoon with us.

Joyce Moy and Ed Chung

## **DIANA GRAHAM PRESENTED “QUICK LOOK AT MEDICARE” ON OCT. 28<sup>TH</sup>**

Diana Graham, a former Nassau County HIICAP Medicare Coordinator was our guest speaker for October. Diana has been a Medicare Coordinator for over eleven years leading a team who in 2015, assisted over 10,000 people with Medicare, their family members, friends and caregivers. If you ever wondered what the different Medicare options were, this was the place to be.

Diana Graham

Mona Ng, Diana and John Graham

Diana gave our audience an overview of the various parts of Medicare and what each part of Medicare covered. She discussed the difference between Original Medicare and the Medicare Advantage Plan (Part C) which is available through 25 different companies. Diana also discussed the importance of selecting the right Medigap policy that fits each individual. At the conclusion of her presentation, Diana gave us some important phone numbers we should keep in mind. The State Health Insurance Assistance Program (SHIP) provides free personalized counseling on Medicare coverage, claims, appeals and help for people with limited income and resources. The local SHIP number for Nassau County is (516) 485-3754 or you can visit [shiptacenter.org](http://shiptacenter.org) to find the phone number for your local SHIP. For general or specific Medicare information, you can call 1-800-MEDICARE or visit [Medicare.gov](http://Medicare.gov).

## **BALLROOM DANCE BOOTCAMP – OCTOBER 15<sup>TH</sup> 2016**

*Backrow:* Randy & Daniella Yung, Vi, Edmund & Kathy Louie  
*Front Row:* Stefanie, Kelly & Jennifer Ng, Mr. Feng, Danny Ng  
*Not Pictured:* Mona Ng, Stephanie, Timmy and Alison Bartoldus

The young and old, the talented and left footed, and the graceful and the lame; such a diverse group showed up to the first Ballroom Dance boot camp. Our busy schedules don't allow us to attend the regular bi-weekly classes so this three-hour session was a good opportunity for us to get some instruction. Mr. Feng first started us off with the swift kicks of the Cha-Cha, and then swept us through the Waltz. We finally kicked through to end doin' the Hustle.

The clumsy newbies that we were stumbling through and the experienced effortlessly flowing through the moves. The night was full of laughs a great time with friends. I did not expect to have such a great economical night out with my wife.

At the conclusion of the grueling camp, I couldn't say we were ready to *Dance with the Stars* but it left us with wanting more. I look forward to another enchanting evening in the near future with a restructured format. I hope you can make time to dance the night away with us.

-Randy Yung

Her latest project is to purpose to the Town of North Hempstead to provide courts to play Pickleball. Pickleball is a growing game among the senior sector. A thank you goes out to Jones Wong for introducing this game into Town of North Hempstead.

## AUTUMN DINNER DANCE AT MERRICK GOLF COURSE CLUBHOUSE ON OCTOBER 29<sup>TH</sup>

It was a beautiful Indian summer evening and many members, beautifully dressed, dined and danced the evening away with delightful enthusiasm. The large dance floor was put to great use and was never empty of dancers. So many members pitched in to make this evening an amazing success. The delicious dinner catered by the Good Fortune restaurant (formerly East Manor) made quite a positive impression and it was enjoyed by all.

Theresa Wing and Edmund Louie

Deejay Theresa Wing and her audio assistant Edmund Louie kept the dancers moving and grooving with a great selection of songs dedicated to ballroom, freestyle and line dancing for the dancing pleasure of our attendees. Everyone loved Theresa's musical selections!

Happy & hungry guests on the buffet line.

Theresa Wing, the evening's great party planner invited our own competition winning dancers Nancy and Ray Lau to strut their stuff in dancing the cha cha and samba. Their finesse, ease and enjoyment dancing with each other were so evident. Paul Lem and May Yee demonstrated the American hustle with expertise and great élan!

Nancy and Ray Lau

Paul Lem & May Yee

The crowd cheered these exceptional couples as they danced past them. Truly they looked like they were the winners of the TV dance contest "Dancing With the Stars!"

All attendees agreed that this autumn dance should become a CCLI annual event.

Everyone dancing to Theresa's great music selections.

Kudos to George and Theresa Wing the dance organizers and their team of more than 30 Center volunteers who made this successful fundraising event possible.

Thank you to Helen Chin, Martin & Kay Mei, Chester Mah, Philip & Joan Rasco, Wayne & Faye Chin and Ellen Loo for your generous donation.

Truly it takes a CCLI Village.

## **HAPPY HALLOWEEN!!**

Our kids came dressed in their costumes for school in celebration of Halloween on Sunday, October 30. Some of them dressed as cats along with a few witches. Of course an assortment of princesses in their beautiful gowns and superheroes in their armor were to be found also. The more unique costumes were our bumblebee, Junior Masterchef and Minecraft costumes. So creative!!

Every year we have a jar filled to the brim with candy that our members can put down their best guess of how many are in there. This year's jar contained 316

candies. Catherine Dart guessed it the closest with a guess of 308, but decided she didn't want to give her dentist so much business so she declined her winnings. Josephine Au, our second winner with a guess of 302 accepted the candies; however her Daddy, Peter Au, generously decided to share half of the winnings with the students of our school. Thank you Josephine and Peter.
